⑆ TRNSACT

## DIGITAL FINANCE MANAGEMENT PLATFORM FOR BOBCAT DEALERS

Proprietary software that **simplifies the credit submission process** and allows sales teams to spend **less time on paperwork**.

How we help equipment dealers simplify, automate, and control the commercial financing process.

Convenience- Customers can safely and securely apply for financing and submit credit applications from a mobile device.

Simplicity- You will no longer need to create and submit multiple applications to lenders when you switch to a single digital form.

Security- You will no longer need to store sensitive customer personal data, Trnsact will store it for you and provide you and your customers with secure links to upload customer files.

> "Our salesmen love the system – it makes their lives easier!"
>
> -Abby, Bobcat of Fort Wayne

TOP RATED FEATURES

- Stop sending multiple credit applications – use a single form for all purposes
- Credit apps can be sent via unique link or QR code
- Easily generate payment quotes
- Lead tracking and financing status notifications
